

DANGEROUS WEAPONS

The Livingston Parish School Board shall authorize the principal of each school to automatically suspend, and recommend expulsion for, any student found in possession of a dangerous weapon on the school grounds, on school buses and/or at any school-sponsored event, at any time, during or after regular school hours, with limited exception.

If a student is detained for carrying, or the principal or designee confiscates or seizes a firearm or concealed dangerous weapon from a student while on school property, on a school bus, or at a school function, the principal or school official shall immediately report the detention of the student or seizure of the firearm or weapon to the police department or sheriff's office where the school is located and shall deliver any firearm or weapon seized to that agency.

The failure of any principal or designated administrator to report the confiscation of such implement or material or the failure to retain and secure such implement or material shall be reported by the law enforcement authority to the Livingston Parish School Board, which shall take disciplinary action pursuant to this policy.

When a principal or designated administrator violates any provisions of this policy, a report on such violations shall be made by the complainant to the Superintendent. The Superintendent or his/her designee shall conduct a hearing on the alleged offense.

If a student is detained for carrying a concealed weapon on campus, the principal shall immediately notify the student's parents.

Dangerous weapon means any gas, liquid, or other substance or instrumentality, which in the manner used, is likely to produce death or great bodily harm. When the student is found in possession of a weapon, the Superintendent shall be immediately notified and the principal shall take appropriate disciplinary action.

Firearm means any pistol, revolver, rifle, shotgun, machine gun, submachine gun, blackpowder weapon, or assault rifle that is designed to fire or is capable of firing fixed cartridge ammunition or from which a shot or projectile is discharged by an explosive.

FIREARM-FREE ZONES

It is unlawful for a student or non-student to intentionally possess a firearm or dangerous weapon on school property at a school sponsored function or within 1000 feet of school property or while on a school bus at any time. The area surrounding the school campus or within 1000 feet of any such school campus, or within a school bus shall be designated firearm free zones. The School Board, in cooperation with local governmental agencies, and the Louisiana Department of Education, shall designate and mark firearm free zones which surround all schools and school property.
